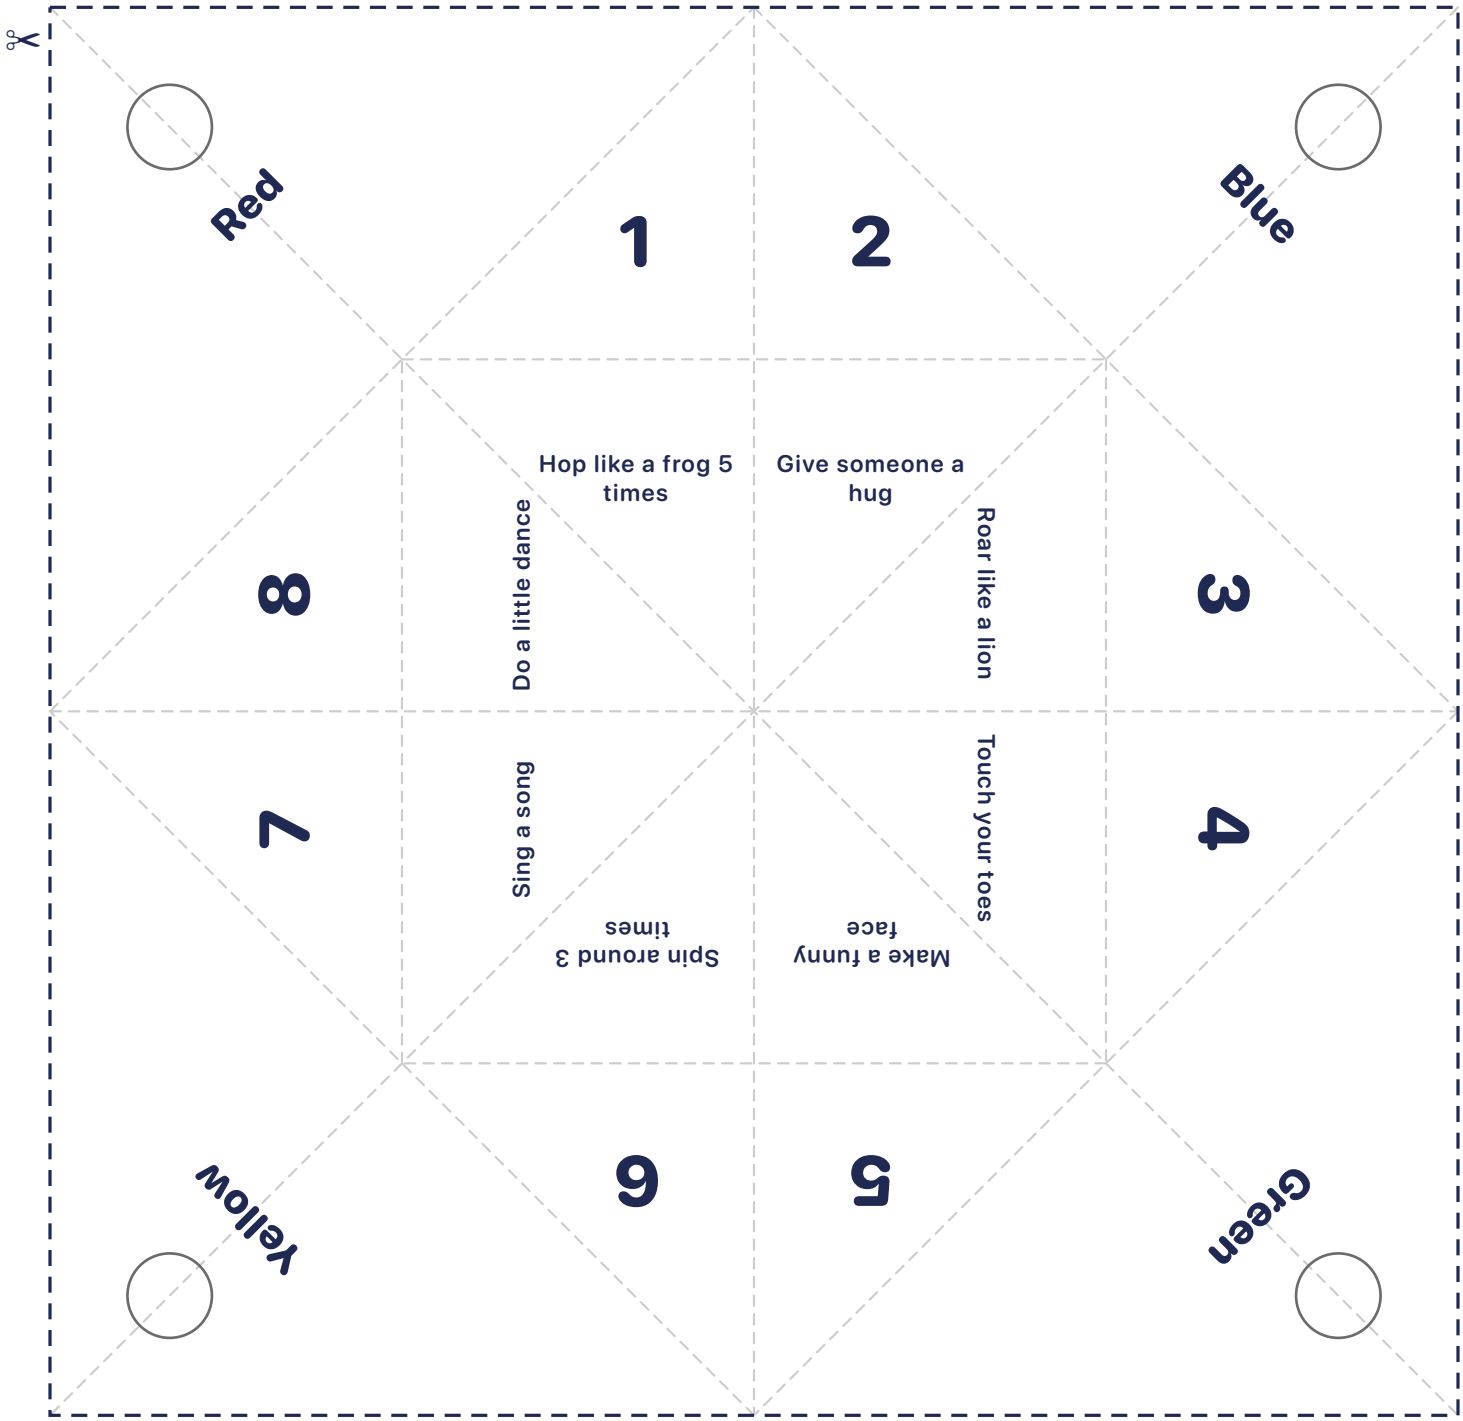
# Fortune Teller



1. Cut out the square on the dashed line.
2. Turn it over so the printing is face down. Fold all four corners into the middle.
3. Turn it over again and fold the new corners into the middle.
4. Fold it in half both ways, then push your fingers into the four pockets underneath.
5. Pick a color and spell it as you open and close. Pick a number and count it. Lift the flap to read your fortune!
